Sixth Form College

Lanchester

THE ROLE OF THE FORM TUTOR

SIXTH FORM TUTOR

In Sixth form our students have daily contact with their form tutors, this is a fundamental aspect to students' personal development at KS5.

- Focus on holistic development of each student
- Academic and welfare-based support
- Guidance to support future progression and preparation
- Personalised advice and guidance
- Delivery of PSHE, RSE, British Values
- Opportunities for skill development and enrichment
- Opportunities for fundraising and charity work

PERSONAL DEVELOPMENT

Our form tutors support students in all aspects of school life.

Mental wellness

Healthy lifestyles

Positive relationships

Living in the wider world

PROGRESSION SUPPORT

Throughout Year 12, students will be provided with a wealth of opportunities to gain skills and experience to prepare them for their next steps. This is individual to each student. Opportunities include:

- Supporting younger students in the school
- Taking on a leadership role
- Public speaking
- Supporting whole school events
- Working alongside staff in a professional context
- Fundraising and charity work

Form tutors will support students in identifying the key skills they need to acquire or develop making links to their future intentions.

APPLICATIONS

We regularly hold talks and presentations with local Universities and Apprenticeship providers to support students in making informed decision. We have strong working relationships with many providers who offer additional support and guidance to our students.

Additional advice and guidance is always available from our Progression Manager.

UCAS PROCESS

Our students receive extensive guidance with their applications from our dedicated Sixth Form team.

We run a series of workshops supported by Universities and colleges:

- Course research
- OxBridge opportunities
- Personal statement clinics
- Choices
- Student finance

Our Team of Sixth Form tutors are very experienced and knowledgeable in all aspects of the UCAS application process. Students are guided to make aspirational choices within their own area of focus.
